Canine Cruisers

Dog Walkers

Canine Cruisers walk one dog every 10-15 minutes, scoop any excrement while walking, and secure dogs in their runs upon returning to the center. They also work with the dog team to ensure all dogs have clean kennels, fresh water and food. They may also be asked to assist with washing dog dishes and washing/folding laundry.

Comb & Collar Club Bathing, nail trims, grooming

A clean animal with freshly trimmed nails is more adoptable and easier to care for. Staff will maintain a list of animals in need of grooming services.

Community Ambassadors Special events crews

Adoption and Fundraising events are vital to our organization's success. In addition to promoting a good image in the community, these events provide a new audience for adoptable animals, while raising much needed funds for medical supplies and more.

Handypaws! Maintenance, general repairs, landscaping, etc.

The sweetest honey do list you'll ever see. Unfortunately, staff does not often have the time to make necessary facility maintenance and repairs, such as changing lightbulbs, tightening screws, repairing kennels, painting, etc.

The Pawfice Office Helpers

On occasion, center staff need assistance with a variety of office projects. These projects may include typing or computer work, filing, mailings, coordination of humane education or adoption packets, and/ or following up on lost and found reports. Many of these tasks can be done from home. Time commitment for administrative work is on an as-needed basis.
